at the PHIPPS

PICK YOUR POISON!

Our lives are spicy, like our food.

We are proud of the Lone Star,
but we love our Spurs first.

We have a place at our table. For everyone.
We are Texan. It is the only home we know.
From our view, to our drinks, to our people.
We are San Antonio, First.

Unapologetically.

And, as we say in Texas, if you don't like it,

You can go to Hell!
